## **RE: CORONA (COVID-19) VIRUS: WPG ANNOUNCEMENT AND ADVISORY UPDATE**

Further to my communication dated 2020/03/17 and given the lockdown extension to 30 April 2020, WP Golf would like to advise on the changes to our tournaments and leagues, which include the cancellation of all events until the end of May 2020. This will be re-assessed on a rolling 30-day basis as per previously communicated.

We are also mindful of the economic impact that is already being felt by the Country and the potential drop in the number of affiliated golfers as a result. WPG has embarked on an assessment of savings (largely from cancelled tournaments) vs the financial impact of such a drop-off on our budget in order to determine what savings can be passed on. We assure you that we will be doing everything in our power to assist where possible once the quantum can be determined.

### **1. Tournaments**

All WPG Tournaments until 31 May 2020 are hereby **cancelled**. Reviews will continue on a rolling 4-week basis for tournaments, leagues and events scheduled.

The WPG tournaments immediately effected are (and inclusive of the previously mentioned):

- All Junior Tournaments during this period
- All PAT Events during this period
- All Ladies Opens during this period

### **2. Leagues**

All WPG leagues until end May 2020 are hereby **postponed**. Dependent on the duration of these bans, WPG will endeavour to reschedule league fixtures as far as practically possible. However, should it not be possible to complete any league at a later stage, these will be cancelled accordingly.

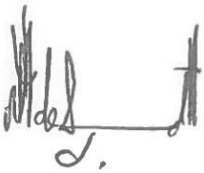

The WPG leagues immediately effected are (along with those previously mentioned):

- Mid-Amateur League
- Masters League
- Harry Solomon League
- Premier & Reserve Leagues
- Challenge League
- Super Senior League

### 3.AGM

The WP Golf AGM remains postponed, more information will follow as soon more clarity on a possible time frame can be advised.
