NOTATIONS:

NOTES

Players may be first paired according to compatibility and then ranked in strict order of their combined HI.

50% of combined CH (rounded off to a whole number – 0.5 is rounded up). The lower combined PH pairing plays off scratch and the difference between the 2 pairings combined PH is the number of strokes given.

If a team lack a full compliment of pairings on the day, the remaining pairing must move up in order of play and the last match (3) is conceded.

In the event of a player's HI increasing (outside the Division parameter) after selection due to an instant revision, that player may remain in the team as selected but must use the maximum HI allowed for that Division.

It is the player's duty to inform the team captains of this HI revision. Instant revisions may not necessitate changing the composition of the team, but may result in an Order of Play revision within a team.

Please submit completed results on this form.

Both clubs must submit their result sheets by 12 noon on the Wednesday following the match.

Should a team fail to submit the results by 17h00 on the Wednesday following the match, the results of opposition team shall be accepted as correct.
