NOTATIONS:

NOTES:

Players may be first paired according to compatibility and then seeded in strict order of their combined HI - 3rd pairing down to 1st pairing.

Players to play of 90% of CH. The lowest PH player plays off scratch and the difference between each of the 3 other players PH is the number of strokes each player is given.

In the event of a selected player not being present at start of match - the pairing may be resrepresented by one partner for part or all the match - IMPORTANT their PH must be taken into consideration for determining who plays off scratch.

If a player's HI is cut due to an instant revision, that player may remain in the team as selected using her revised HI.

In the event of a player's HI increasing (outside the Division parameter) after selection due to an instant revision, that player may remain in the team as selected but must use the maximum HI allowed for that Division.

It is the player's duty to inform the team captains of this HI revision. Instant revisions may not necessitate changing the composition of the team, but may result in an Order of Play revision within a team.
